 - b. Starting cash buffer \$184,073
 - i. Invested \$41,010 in CL (renovations)
 - ii. Invested \$14,833 in Tahoe (replaced cabin roof)
 - iii. Ending cash buffer \$143,414
 - iv. Drop in memberships since 2019 (pre-pandemic)
 - c. 18-Year Income Statistics
 - i. Tahoe income overall increased steadily from 2003
 - ii. Clear Lake income peaked in 2013-2014
 - iii. Administrative income (memberships) fairly steady until 2020

- iv. Events steady decline with substantial drop at start of 2020
- d. 18-Year P&L
 - i. Tahoe sustains itself, stays above zero
 - ii. Clear Lake drops substantially
- e. Cash Buffer
 - i. Peak buffer in 2013
 - ii. Lars recommends that we maintain around \$200,000 in cash at all times for optimum financial security
- f. Investments
 - i. Most investments were made into CL property, between dock and deck replacement, water system, and more recently cabin renovations.
- g. Risks
 - i. Lawsuits, fires, earthquakes, floods
 - ii. Both properties are subject to fires, CL also subject to earthquakes and flooding
- h. Planning for the future
 - i. Reduce risk of income loss by planning events
 - ii. Budgeting
 - iii. Fundraising
- i. Questions
 - i. Q: How many people have we lost as members? A: The only data we currently have is financial, not specifically # of members
 - ii. Q: Prior to COVID, the club was also losing money - why? A: We have taken depreciation into account now, more so than previously
 - iii. Q: Andrew V. argues that the club has gone down in worth, and is losing money. What will the board do to change this and start breaking even/making money? A: more investments, depreciation, choosing not to invest further into our properties. We are not a for-profit company, so making money is not necessarily a priority. COVID-19 is also a huge factor (no events!)
 - iv. Q: Has the board calculated out the projected potential income from the newly renovated cabin? A: To an extent it will be a bet, given the fires which have happened so frequently the past few years, and the pandemic
- j. Motion to move on from Financials
- k. Solveig motions to approve financials, all in favor, none opposed

V. Thank you, 2021 volunteers!

VI. Committees

- a. Ulrika would like to bring to membership's awareness the use of committees, for Clear Lake, Tahoe, Communications, Activities and Events, Webtech, Financial (Investment)
 - i. YSC is seeking regular members to join committees to help out with various things within the club

VII. Tahoe
