Treasurer's notes from 2019

Q1

- * 2019 operating PL starts out at \$14,727, a small improvement compared to 2018
- * Garbage bills at CL very large, putting on hold during off season
- * Yosemite plans scrapped, no deposit refund yet
- * Lars no longer on Financial committee due to employer ethics policy. Paul manages Schwab investments

Q2

- * YSC Net Operating revenue reached \$25k in May
- * Flywheel migration
 - Site was down for a few hours
 - A few double charges (and refunds) occurred
 - otherwise problem free migration
 - YSC webtech team now has full access to code
 - no more web developer invoices after migration
- * Water project CL:
 - \$13,253
 - Lot merge required and outstanding taxes paid up
- * T shirt sales almost non existent
- * AT&T charging us much more than last year for Tahoe telephone, Jesper sorting out
- * Yosemite total loss of deposit (\$3,332) is accounted for as event with no income. Events overall in the black, in spite of Yosemite.
- * Double charges are becoming a frequent problem in June. Creating staging environments seems to be the root cause, webtech investigating.
- * Cash balance going up, getting close to \$200,000 in cash & investments.
- * Consolidated and clarified the account names under Website P&L into Development (we pay a developer) / Hosting (flywheel) / Plugins & Subscriptions, the latter being significant
- * Tahoe bookings up from \$24k to \$28k compared to previous year, Net operating P&L up from \$16k to \$23k.

Q3

- * we paid some annual Insurance premiums in July that resulted in some red July numbers
- * no new double charges that Lars detected
- * two t shirts sold
- * Four water deliveries CL in July so far, for a total of \$1,500.
- * YSC Net Operating Revenue \$32,815, up from 17,553.
- * Deposit rates are going up, we doubled CD interest income from \$1,155 to \$2,123.
- * Lars separated Tahoe Internet from the Tahoe Landline into two sub accounts of 'Telephone & Internet'. Jesper and Lars talking to AT&T about charging us \$1,200 more per year (more than double).
- * Midsummer, Opening weekend with positive numbers.

Q4

- * Events made good PL, one contributing factor was only paying \$700 for the Halloween venue. Last year we paid \$2,250 for another venue.
- * Jesper managed to have AT&T refund the overcharge for the year and get us on a sub \$100 plan, but this would prove to not be the end of our headaches. (as of January 2020 this is now sorted out)
- * Paul is managing the Schwab investment on a regular basis, all the money there is at work in CDs, Schwab's US treasury fund SNSXX, the small investment in SPY is unchanged.
- * Income for both Tahoe and CL slowing down in October, but Tahoe back on rise in November. Also, we spent \$4k on various repairs, cleanup, maintenance.
- * Added a YSC Google Pay account for payments.
- * Xmas dinner tickets sold out
- * One ticket sold for next year's Midsummer and Opening Party in November
- * Lucia event in December with positive numbers.
