In Attendance: Jeanette, Henrik, Dave, Jesper, Lala, Henrik, Johan, Andreas

Not in Attendance: Kara

In total, there were 30 members at the AGM, including the board.

Meeting Minutes

1. Meeting called to order at 1:37pm

- a. Nomination of Chairperson – Jeanette Flodell (Peter, Carsten)
- b. Nomination of Secretary – (Jeanette, Jesper)

2. Introduction of the 2024 Board of Directors

- a. Jeanette – President (term is up, stepping down)
- b. Henrik – Secretary
- c. Johan – Treasury
- d. Jesper – Tahoe Cabin Master (term is up, seeking nomination)
- e. Dave – Clearlake Cabin Master (term is up, seeking nomination)
- f. Kara – Social Media (leaving the board)
- g. Andreas – Membership
- h. Lala – Event director & VP
- i. Peter – Event director

3. Approval of 2025 AGM minutes

- a. It was motioned to skip the reading of the minutes, everyone was in favor
- b. Minutes were approved by acclamation.

4. The president opened the meeting by recapping some of the activities the club has focused on during 2025, with special callouts for the 75th anniversary & the candle-light Christmas dinner (shout out to Natalia). The members that left us during 2025 were also honored in the opening speech.

5. Treasurers report of 2025

- a. Hardcopies of the YSC financials was customarily shared, and are also available to view on the web.
- b. Significantly higher revenue due to donation from the estate of Lisa Wiborg.
- c. Revenue vs expenses essentially flat with donation taken out.
- d. Tahoe generating more revenue than last year, due to the fact that we have not had to spend a lot on maintenance. Clear Lake losing money due to ongoing dock issues and general maintenance needs. Peter and Dave remind members that it is possible to rent out the entire Clear Lake property during both summer and winter seasons.
- e. Shout out to Jim Melin for helping us keep both Tahoe and Clear Lake insured!
- f. Insurance will go up for 2026, something we will have to keep an eye on. We will try to make the website cheaper to run, and we need to work on getting more usage out of Clear Lake
- g. **Question** – Are there any significant spending we are aware of? **Answer** - Not really, besides those already mentioned. We are mostly up-to-date with general maintenance. What we do not have is enough cushion in case of a catastrophic event (flood, fire etc.) Although we are insured, the policies will not cover a rebuild.
- h. **Question** – What is the value of our properties? **Answer** - We have not had them assessed in a long time. There have been sales in Tahoe, Clear Lake is harder to gauge, as it is a 3x lot, with a lot of structures grandfathered in.
- i. **Financials were unanimously approved.**

6. Membership Director update

- a. Huge **THANK YOU** to all that volunteers that helped us during 2025.
- b. Memberships up from 330->369, 188 single, 181 Families. 146 new membership applications, 100 ended up becoming members. Essentially all new members learn about us by word-of-mouth.
- c. Andreas presented general membership trends.
- d. **Question** – What do we do when members do not renew their memberships. Are we reaching out to them proactively to increase retention? **Answer** – We do not track lapsed memberships in real-time. Technically we probably could, but the website is not set up to do so at the moment. Also, everyone is all volunteering our time to the club, we need all members to help make the club a place that people do not want to leave. There is website automation that we can improve to help retain members that simply forget to renew, and we are looking into this.
- e. **Question** – Can we make memberships auto-renew? **Answer** – Yes, this feature exists now. But we can't automatically sign people up for auto-renewal, the members need to opt-in.

- f. Andreas directed the members to the committee sign-up sheets and asked everyone to consider joining the outreach committee to help grow our membership, and improve retention.
- g. **Question** – Is it possible to create some kind of associate membership for those that cannot join as “standard” members? **Answer** – We have tried this, but at the time it was rejected by the members.

7. Tahoe Cabin Master update

- a. Stretch break.
- b. No significant projects or issues during 2025, except some updates we needed to do in order to get our insurance reinstated (replace electrical panel & move the water heaters to be able to strap them in a code-compliant way).
- c. In 2026 we will look into updating the Tahoe cabin kitchen.
- d. **Question** – How much do we expect a kitchen renovation will cost? **Answer** – We have not gotten any bids yet, but realistically it will probably be in the range of 10-25k.
- e. **Question** – Do we know how many of our members that only use the Tahoe cabin? **Answer** – We are not sure, but certainly in the high double-digits percent. Maybe we should consider advertising our other events up there?

8. Clear Lake Cabin Master update

- a. Dave introduced the crew that has been volunteering to help rebuild the Clear Lake dock.
- b. Two old sections need replacing, then the dock is done.
- c. The slope behind the building needs reinforcement, rockslides risk damaging the building.
- d. Eric Jensen was honored for all the work he has done to help out in Clear Lake over the years. Eric unfortunately passed away a few weeks ago.
- e. Need to take new pictures of the interior and exterior for the website?
- f. **Question** – Is there dates for the 2026 work week(s)? **Answer** – Not yet planned. Sign up for the Committee, we will let you know.
- g. **Question** – Should we organize a work week for people that have limited construction experience? **Answer** – Could be a good idea, the board & cabin master will discuss.

9. Event Directors Update

- a. Lots of events were held in 2025. Lala recapped them chronologically.
- b. Lala teased some of the events we are planning for 2026.
- c. The Clear Lake cabin is available Summer and Winter. In the summer, if there isn't an organized event, members can visit for \$25/night per individual, or \$300 to rent the entire cabin for as many people as you want. In the winter, the full cabin can be rented for \$100.
- d. Shout out to **Andrew** for all help organizing events.
- e. **Question** – Are we interested in collaborating with the Sons of Norway for their Memorial Day event? **Answer** – The board will discuss.

- f. **Joy** Pitched Henrik Ibsen Park to the members, and opened for possible collaborations.
- g. **Dave** highlighted that last-minute signups for Clear Lake events make planning harder, as food is generally not bought last minute. Members are encouraged to commit at least one week before the event date is possible.
- h. Jewelry workshop, Viking run, Basketball game... lots of suggestion. Peter reminded members to sign up for the events committee.
- i. The board acknowledged the longstanding support from the Swedish American Hall, and **Ted Olsen**, over the year. Shout out to **Ted**, thank you for everything you do! Viking regatta was suggested, the board will consider once constituted.

10. Election of Directors

- a. Currently, there are 9 Director positions on the YSC board. The board is looking to expand to 11 members for 2026.
- b. Jeanette and Kara are both departing. Jesper and Dave's terms are up, but both Jesper and Dave are seeking nominations for new terms.
- c. Per bylaws, you have to have been a member for 2 years to serve on the board. Peter motions to grant an exception this year, as we have some strong candidates that do not yet have the 2-year tenure. Seconded by Gordo, motion passed unanimously.
- d. Nominations:
 - i. Jesper Lundbaek was nominated, accepted, and had the nomination seconded.
 - ii. Dave Conroy was nominated, accepted, and had the nomination seconded.
 - iii. Peter nominates Polina Pribytkova, Anne Buike, Elsa Putur, Christoffer Tevren and Stefan Gustafsson. All accepted, all nominations were seconded.
 - iv. Carsten nominates Aron Lloyd Walker. Aron accepted, nomination was seconded.
 - v. Lala nominates Ana Cachau-Hansgardh, Solveig Barnes. Ana declined. Solveig accepted, the nomination for Solveig was seconded and unanimously approved.
- e. All candidates introduced themselves to the members.
- f. Since the number of nominations exceed the open board positions, members need to vote on the candidates.
- g. The newly elected board members introduced themselves.
- h. Jesper and Dave were both elected by acclamation per Roberts Rules of Order.
- i. Peter nominates Carsten Hughes and Andrew Todt to count the votes. Seconded by Stein. Both accepted, motion passed unanimously.
- j. Members vote to fill the remaining 4 seats.
- k. After tallying the votes, the following members were elected:
 - i. Cristoffer Tevren
 - ii. Elsa Putur
 - iii. Polina Pribytkova
 - iv. Anne Buike
- l. The outgoing president was thanked for her service.

- m. The newly elected board will gather at an extra meeting right now to constitute itself.

11. Meeting adjourned @ 5:10pm
